All rates quoted on this page refer to Basic Rate Services as defined in the service contract. The stated Basic Rate requires that calls originate from the indicated Home Zone region unless otherwise specified in the service agreement. PROMO Prepaid plans are for new activations with the purchase of a phone. Additional activation fees and/or minimum initial term period apply to some plans. Customer pays USF/tax. Plans shown as New Activations Only are not reloadable and can be applied only to previously unused SIM cards. See service agreement for complete terms and conditions.

*"Producing television programs featuring international hunting requires being away from home for weeks at a time, often in locations without modern conveniences, including a telephone. Whether I am in the Himalayas, the savannah, or the Rocky Mountains, my satellite phones from Outfitter Satellite allow me to handle office business and keep in touch with home, which make extended road trips tolerable."*
